Oxford University Press, United Kingdom, 2012. Hardback. Condition: New. New. Language: English. Brand new Book. While quantum theory has been used to study the physical universe with great profit, both intellectual and financial, ever since its discovery eighty-five years ago, over the last fifty years we have found out more and more about the theory itself, and what it tells us about the universe. It seems we may have to accept non-locality - cause and effect may be light-years apart;...
