Preparing for International Health Experiences: A Practical Guide (Paperback)

By -

Taylor & Francis Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English. Brand new Book. At some point in their careers, many health professionals and students wish to engage in overseas work. Learning from other systems, people and cultures is invaluable and in some cases life changing. This book is a unique resource that offers necessary insights into making the most of the experience, from pre-departure training through to return orientation. It provides information on navigating the legalities and bureaucracies of international medical training and gives insights into cultural and language competencies, including how to be ethical and deferential in the exchange of situational knowledge. Preparing for International Health Experiences is a must-read for any healthcare student considering volunteering, doing mission or practical work abroad. It covers specific medical professions from paediatrics to surgery, and allied disciplines such as dentistry and nursing. Its practical tips and consideration of ethical issues will be valued by readers of different levels and experience.

Reviews

A top quality ebook and the typeface used was interesting to learn. This can be for all who state that there had not been a well worth reading through. I am just pleased to tell you that this is basically the very best ebook i actually have go through in my individual life and can be he finest book for at any time.

-- Mr. Carol Bergnaum IV

This publication will not be straightforward to begin on studying but quite fun to see. It really is basic but shocks in the fifty percent of the ebook. I realized this ebook from my dad and i advised this pdf to learn.
